

The background of the image consists of a dense, overlapping collage of architectural blueprints and rolled-up architectural plans. The blueprints feature various technical drawings, including floor plans, elevations, and sections, with numerous dimension lines and numerical values. The rolled-up plans are shown in perspective, creating a sense of depth and three-dimensionality. The overall color palette is a mix of light blues, greys, and off-whites, with some darker blue accents from the rolled-up plans.
