

Psalm 4

A Night Song

The world could be so much better.

Those opposed to God have great influence.

"Give me relief from my distress"

"How long will you love delusions and seek false gods?"

It's OK to think that, and it's OK to work to change it.

"Be angry, but do not sin."

"Offer right sacrifices"

But peace comes from somewhere else.

"the Lord has set apart the godly for himself."

"You alone, Lord, let me dwell in safety."

"Let the light of your face shine upon us, O Lord."

I can rest peacefully

"Let the light of your face shine upon us."

"You have filled my heart with greater joy. . ."

"I will lie down and sleep in peace."
