Now What?

I voted....now what?

As believers living in a Federal Constitutional Republic Democracy, what is our response in what happens post election?

- Christian's Role - What is our mission?
- God's Role - How does He use Gov.?
- Christian's Action - What can I do?

A Christian's Role - The Mission

As a Christian, you enter into a relationship with God

Because of that relationship we understand these basic principles:

- Prioritize our relationship with God - Matt 6:33
- We obey the commandments He gives us - Matt 22:36-40

God's Role - What does He do?

God uses human governments to bring about His Will:

David: God sought a man “after his own heart” and made Israel a great nation - God sent

Rehoboam: God used a local leader to expose the sin of his people - God allowed

Christian's Action - What do we do?

Focus on the mission - Matthew 28:16-20

God wants us to obey His commands. And we can have confidence since He is in control and transcends our government

Pray for our leaders; federal, state, local

- Pray for humility, wisdom, meekness
- Pray they succeed
